### A Wonderful Christmas Party

Today was Christmas Party. Ben and his classmates celebrated Christmas together. They decorated the classroom with colourful balloons. They prepared the chairs and tables to start a wonderful Christmas Party.

They ate chicken wings, sandwiches and drank some bottles of cola in the party. The food was delicious. Suddenly, Mary gave a Christmas present to Miss Chan. She felt very surprised.

Then, they decided to play musical chairs. They walked around the chairs until the music stopped. Unfortunately, Paul was pushed down by Susan. He hurt his leg and cried.

Miss Chan comforted him immediately. Then Paul smiled. Finally, they exchanged gifts with each other. It was an enjoyable day!
