### Christmas Day

Today was Christmas Eve. It was the twenty-fourth of December.

Thomas and his family went to Canada by plane during the Christmas holiday. Thomas and Joanne were excited about it.

After Christmas dinner, they were full. They thought that the dinner was delicious. Then, they went outside. Joanne said to his brother, 'Let's make a snowman!' Thomas agreed since he never built a snowman in Hong Kong. They built the snowman with a hat, a scarf and a carrot. The snowman's nose was made of carrot. Thomas told Joanne a joke, 'May be his nose will be eaten by the deer.' They laughed together. Their parents said, 'Well done! It's eleven o'clock now! Let's go to bed!'

They said goodnight to the snowman and went to bed. Joanne had a great dream. She dreamed that Mr. Snowman and Thomas went skiing with her happily.

Today was Christmas day. It was the twenty-fifth of December. They went to see the snowman immediately. They could not see the snowman because it melted since today was too sunny. Thomas knew that a fairy could help them. He went into the forest and found a fairy. Suddenly, the

fairy appeared. Joanne said to the fairy, 'My snowman melted. Can you help me?' The fairy made the snowman into a human. Thomas was very delighted about it.

They had a great holiday with the fairy and the snowman. After the holiday, they had to go home. They said goodbye to the fairy and the snowman. The fairy said that she would be here next Christmas. She hoped that they would visit her.
