Christmas Day

Thomas and his family went to Canada because it was Christmas holidays. Thomas and his sister, Joanne felt very delighted as they could play with snow and have Santa Claus' present!

On Christmas Eve, Thomas and Joanne made two big snowballs because they wanted to make a cute snowman.

Thomas and his sister gave the snowman a Christmas hat and a scarf with a little flower. There was a carrot for its big smart nose. Joanne asked her mum and dad, 'Can we go to get our gifts?' 'Of course,' answered their parents. They went out of the house and saw the snowman. 'Wow! It is a big surprise for us!' said their parents.

At night, Joanne was very tired so she slept very fast. She made a dream she could go skiing with the snowman.

The next day, it was sunny and hot. Thomas and Joanne went to find their snowman but they couldn't see it. It was melted. They cried, 'My snowman!'

Finally, they made another cute snowman. They played with the snowman gladly. They had a happy Christmas holidays at the end.
