Christmas Holiday

Thomas and his family went to Canada during their Christmas holidays. On Christmas Eve, Thomas and Joanne built a snowman. They put hat, scarf and carrot on the snowman. They showed the snowman to their parents. They felt excited.

At night, Joanne had a dream. She went skiing with Thomas. They played with the snowman. On the next day, Thomas and Joanne wanted to see the snowman. But they could not see the snowman because it melted. So they felt sad and unhappy.

Finally, they went home to have Christmas party together and they sang Christmas carols happily.
