

A Fairy Tale

Written by Cheung Yee Tsun (5A)

Once upon a time, there was a princess. She had black, curly hair. She was tall and skinny. She was nice and thoughtful. Everybody liked her very much. She lived in an absolutely enormous castle. One day, she was bored, so she went shopping. She bought a lot of very expensive dresses, handbags and jewellery.

As she was walking back to the castle, out of the blue a bad witch jumped out and caught the princess. She put her in a cave. The princess was trapped. A handsome prince saw that. He ran very fast to rescue the princess. When she saw him, she was over the moon. The witch was trying to prevent the prince from taking the princess home, so he killed her fearlessly. The princess said, "Thank you very much for setting me free, you are a hero!"

Eventually, the prince and the princess got married and lived happily ever after.
