

A Journey with Adventures

Written by Li Ka Hei (5B)

One sunny day, tiny Daisy went to see her friend
in a very odd way. She was very excited.

First, she travelled in a hot-air balloon. On her
way, she saw an alien. They went hiking together. Then,
she saw a rocket flying past. She felt intrigued. Next,
she saw some people asking for help. She helped them
rescue a kitten. She felt it was very meaningful.

In the end, she rushed to her friend's house. When
they finally met, they were so happy they cried.
