

Alex's Time Machine

Written by Li Yan Sin (5A)

Alex climbed into his time machine, set the dial, and pushed the start button. Whoosh! Off Alex went to explore the Earth in the year of 3010.

Alex saw so many robots. He felt surprised. He went to a convenience store and saw a robot who was the cashier. Then Alex bought a UFO toy as a gift for his friend, Hebe. After that, he bought one more pair of wings. Finally, Alex came back home and made a robot like the cashier. He played with his robot every day. He was happy with his robot every day.
