

A Magic Mirror

Written by Huang Qian Yi (5B)

Once upon a time, there was a girl who lived in a treehouse. Her name was Annie. She had long straight hair and blue eyes. She was nice to everyone, so the animals always played with her.

One day, Annie found a mirror. She liked it very much, so she put it in her basket. All of a sudden. A sound came out of the basket, "Help! Help!" Annie was surprised. She took out the mirror and said, "Wow, who are you? Why are you in there?" It turned out there was a dragon in the mirror and the dragon said, "Sorry, can you make me free? Please!" "No, I don't want to talk with you," Annie said. Then she threw the mirror on the ground. It was broken.

Suddenly, the mirror emitted light! The dragon turned into a handsome prince, but he was injured. Annie said, "Sorry I hurt you." Annie started to cry and her tears were dropping on the prince's wound. After a few seconds, the prince recovered! He asked Annie, "You are my saviour, will you marry me?" "Yes!" Annie said.

They lived happily ever after.
