

## Alex's Time Machine

Written by Chan Yan Yin (5B)

Alex climbed into his time machine, set the dial, and pushed the start button. Whoosh! Off Alex went to explore the Earth in the year of 2165.

Alex was in the future. He was surprised. He saw a funny face. Wow! He was the cartoon character, Doramon. He ran to Doramon and played with him because he loved him very much. He felt happy.

When they were playing, he saw a tall girl who said, 'You have to go back home!' He was scared so he went to the time machine. He wanted to go back home but he heard his teacher's voice.

Finally, he knew it was a dream. He fell asleep in the class. After that, the teacher scolded him. He was unhappy.
