

Jeri and Great Dane

Written by Fong Pik Ha (5A)

Mother's Day was almost here. Jeri still needed money to buy her mother a gift. Mrs. Brown asked her to walk her huge dog, Great Dane. Jeri was walking down the street with the huge dog. They went to the park. But Great Dane was a huge dog so Jeri found it troublesome and she was scared that it would bump into someone.

After a while, they arrived at the park. They met Jeri's mum. Her mum felt surprised because Jerri appeared in the park with a huge dog. Jeri explained to her mum, 'I walk Great Dane to earn some money to buy a gift for you!'

Her mum felt touched and said, 'What a lovely Mother's Day gift! Thank you!' Mrs. Brown just passed by the park. She felt Jerri was nice to her parents. Mrs. Brown said to Teri, 'You are so nice to your mum. I give you some money. You can go to buy a lovely gift to your mum.' Then Mrs. Brown took back her huge dog.
