

## My Pick-Up Truck

Written by Chan Yung Tat (SB)

‘Oh! My pick-up truck has broken down. What can I do now?’ The farmer didn’t know that he would get unexpected help.

The farmer called the police. The police replied to him that they would come in one hour. At that time, the farmer realized that he had no water, food or any necessities. He thought he would die very soon.

Suddenly, the truck got magic power. He was very surprised. The truck provided him the necessities. The truck talked to him. After one hour, the police arrived. The farmer told the police what had happened to the truck. The police thought that it was impossible!
