

## The Deep Cave

Written by Ng Kang Wang (5A)

Once upon a time, a team of scientists went to a deep cave. As they explored the bottom of the deep cave, they were surprised to find lots of jewellery there. They were excited because they thought the jewellery was very valuable. Then they wanted to take it back to investigate.

Suddenly, they saw a lot of frightening vampires. They scientists ran quickly. But the vampires followed them. They scientists felt tired. Then the vampires got close to them. Then, a superman flew in. He fought with the vampires. Finally, the vampires were killed.

All of a sudden, Jim woke up. 'Oh! It is only a dream!' sighed Jim.
