

The Special Plant

Written by Huang Qian Yi (5B)

Aunt Ethel sent George a plant for his birthday. George woke up in the middle of the night and heard the plant talk.

‘Please help me! Please!’ George was surprised and scared. He shouted to the plant, ‘Who are you? Don’t approach me!’ But the plant said, ‘My name is Billy and I was a prince. A wizard turned me into a plant!’ He continued, ‘I have to play games with a kind person. Then I will become a prince again. Please help me!’ George was surprised but he thought that Billy was poor so he said, ‘Okay!’

They swam in the swimming pool, played hide-and-seek and played ball games. Finally, Billy became a prince again. He said...

‘Ding! Ding! Ding!’ the alarm was ringing. George said, ‘Oh! It is only a dream!’
