My Favourite Place at School

My school has eight floors. There is a library, an art room, a computer room, a canteen, a school office, a school hall, a school office and a nature corner.

My favourite place at school is the library. It is on the second floor. There are a lot of books in the library. I like reading books there. We can borrow and return books there. We must keep quiet and we mustn't climb the bookshelves.

I have fun at the library every day. I love my school.
