My Favourite School Event

My favourite school event is Open Day. It is on the twenty-fourth of November.

On Open Day, I want to play different games because I want to win the prizes. I also want to help my teachers to decorate the classrooms. I want to introduce our school to our guests too!

On that day, I can help my teachers to set up the booths. Also, I can play games in the classrooms. I feel very glad and I like Open Day very much.
