Class: 5B

A Special Experience at Lok Wah Catholic Primary School

My special experience at Lok Wah Catholic Primary School was the shooting of the music video. It was for the celebration of our school's 50th Golden Jubilee. We wanted to invite kindergarten students of Grade 2-3 to our school to play games for fun.

I shot the video in September. Miss Chow asked me and other schoolmates to shoot the video. It was our first time! We did not know how to do it. Luckily, Miss Chow helped us a lot. Although we did not shoot well at the beginning, we could do it well at the end. We had so much fun when we were saying the rhyming script. My unforgettable scene was the time when we knocked at the school gate and shouted loudly.

On 10th November, Mr. Yeung showed the video to all the schoolmates and parents. When they saw that funny scene, they burst into laughter. But I felt embarrassed. It was a very special experience for me.
