A thank you letter to Lok Wah Catholic Primary School

Dear Lok Wah Catholic Primary School,

I am Shek Ho Fung from Class 6C. This is the last year for me to study in this school. I feel very sad when I need to say goodbye to my school because I am sure that I will miss Lok Wah Catholic Primary School.

Our teachers have helped us a lot in the past six years. During the past six years, I have learnt a lot from my teachers and classmates. I have learnt to be independent.

In the future, I hope I will become a responsible and honest person.

Last but not the least, I would like to say thank you to Lok Wah Catholic Primary School. Also, I would like to thank my teachers for their teaching!

Yours,

Sek Ho Fung from 6C
