My Favourite Place at School

I like my school. It is located in Kwun Tong. It is very big and beautiful. There are many different places in my school.

My favourite place is the 2C classroom. It is on the second floor. I like it because it is spacious and beautiful. The board is colourful. There are a lot of decorations. I can play with my classmates. I can learn a lot of new things. I can play on the tablets. I enjoy playing Kahoot! with my classmates in the classroom. It is exciting!

I really love the 2C classroom.
