My Favourite Teacher

My favourite teacher is Mr. Chan. He is my English teacher. He is kind. He is tall and thin. He has big eyes, short hair and a small nose. He is young. He always goes swimming. He also likes playing football and playing the piano. He often reads the newspaper. He sometimes surfs the Net.

Last week, I had a school picnic with my schoolmates. I played hide-and-seek with him. I felt glad and this was the most unforgettable memory I shared with him.

I think he is a good teacher.
