A Special Experience at Lok Wah Catholic Primary School

I had a special experience at school. It was on 3rd November, 2017. I had been selected to attend the music open lesson. We went to school at 7:50 am. Our teacher was Miss Pang. We were very nervous that day because there were a lot of teachers observing us and there was a camera at the back of the classroom.

The open lesson started. Miss Pang taught us the song Little Drop of Water. As the progress of my class was faster than the other classes, we learnt harmonic singing. Our challenge was to put different singing skills into the song. We also sang the song with some musical instruments in the performance. Once I played the recorder wrongly, Miss Pang came to help me at once.

I learnt different musical skills in the open lesson. It was fun!

Thank you, Miss Pang.
